How to Apply and Enroll for the 2019-2020 School Year

1. Navigate to <https://secure.gradelink.com/1768/enrollment> in your web browser.
2. Follow the steps to create an account and complete the enrollment process.
3. Complete and sign the other forms sent home in the registration packet.
4. Submit the signed forms, as well as other required documents to the school office.
5. Pay the \$150 registration fee, submit a scholarship award letter, or submit a VPK certificate to the office. Remember, registration is not complete and your spot is not reserved until the fee is paid or the scholarship award letter is submitted!

After the application/enrollment is submitted, and all documents and the registration fee are received in the school office, the admissions committee will review applications. You will be notified via email when your application is approved or if additional information is needed.

Please do not hesitate to contact the school office if you have any questions.

We look forward to working with you in the 2019-2020 school year!
