

LAKEVIEW CHRISTIAN SCHOOL

Thank you for your interest in volunteering
with Lakeview Christian School!

Step 1

All volunteers must participate in the mandatory Child Protection Policy Training provided by Lakeview each year. Volunteers can call the front office to register for this training. This training certifies on-campus volunteers for twelve months (one calendar year) from the date of completion. If volunteers are not able to attend a live training, they may schedule a time to come to the school and view a recording of the training under staff observation.

Step 2

Upon completion of the Child Protection Policy training, volunteers will fill out required paperwork and schedule a time to get a background check done (as of 2023, the cost is \$20 per person; these expire after three years). NOTE: Volunteers who plan to drive for a field trip at any point will also need to complete the driver's license background check (as of 2023 is \$15 per person; these expire after three years).

Step 3

When volunteers have completed the training, paperwork, and required background checks, the front office will notify of acceptance and start date.
